Ardith A. Price is a remarkable author renowned for contributing to the Science Fiction and Fantasy genres. The enchanting novels have captivated readers in her acclaimed Debacle Series. This series begins with the novella prequel, MAYIM, a Sci-Fi Fantasy infused with religious themes that lays the groundwork for the next book.

In August 2022, MAYIM achieved a significant milestone, reaching the top rank on Amazon. Following this success, the series expanded with the release of its first full-length novel, PERFIDY, which debuted in October 2024. This captivating tale transports readers to a complex narrative universe inhabited by AI humanoids, mighty overlords, Nephilim, and a lone, fearless engineer who dares to resist an alien threat. Accompanied by a dynamic team of engineers, the heroine fights against a sinister antichrist and alien Nephilim that endangers their futuristic fantasy world.

With over thirty years of experience in the IT field, Ardith has excelled in various roles, from manager to programmer to web designer. Besides her technical competence, she is a talented concert singer and violinist. Combining her musical talents, IT ability, and storytelling abilities, she creates captivating futuristic science fiction stories. Ardith lives in the vibrant metro Detroit, Michigan, vicinity, with her husband.

ONE REVIEWER WROTE: PERFIDY

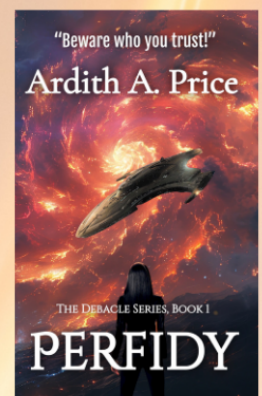

"OMG, what a book I could not put this down. The cover was what enticed me the most to read this book and then when I read the blurb I knew I couldn't pass this opportunity to read it... I loved how immersive it was, I literally felt as though I was part of the story."
